LOVE

A romantic table setting featuring the word "LOVE" spelled out in large, silver, three-dimensional metal letters. The letters are placed on a white tablecloth. Behind the letters is a decorative centerpiece consisting of green foliage, a yellow candle, and a small basket with white flowers. In the background, there are several wine glasses and a teal-colored cushion.

MENIU

OUR MENU IS A TRIBUTE TO THE VIBRANT, EXQUISITE FLAVOURS OF THE MEDITERRANEAN ISLANDS!

Our menu is a journey through the Mediterranean by both land and sea, finished with an island-focused approach to each dish.

The cuisine has a story, much like those told by fishermen across the Aegean, reflected in light overtones, plates full of colour, attention to composition and a food profile that engages all the senses.

Choose from an enticing selection of small dishes from the Raw Bar, Entrées & Mains and of course dessert!

CHEF DE CUISINE
FRANCESCO CASTELLANA

Francesco originated from Bari, Italy, and has had an acclaimed career traversing the globe and part of an exclusive culinary team at some of the world's most recognised dining establishments, including Thomas Keller Per Se in New York, and working alongside Shannon Bennet at Vue Du Monde in Melbourne.

He has extraordinary flair, passion and skill in Mediterranean cuisine and is now leading the culinary direction and dynamic team at Vesper Bistro & Bar
